

## FARMERS, REMEMBER!

The Loose Floor Sack will begin **NOVEMBER 15**. Blanks has orders for eight million pounds at **TOP PRICES**. Some of it at \$14.00 per 100 pounds. You may have some of this kind in your crop. You will never know it if you don't sell on the open market. Tobacco always brings better prices where you have competition. Remember, all tobacco is sold by numbers, so no buyer knows whose tobacco he is buying. This is absolutely the fairest way you can sell tobacco. You get **Fair Weight, No Dock and Cash in Full** on day of sale. Give me a trial and you will never sell any other way.

POPULAR YOUNG PEOPLE MARRY

Miss Clay Jones and Elgie Sisk of Mortons Gap are now one.

Mr. Elgie Sisk and Miss Clay Jones, prominent young people of Mortons Gap were married at the residence of the bride's parents, Mr. and Mrs. J. H. Jones, Wednesday afternoon at 3:30 in the presence of relatives and a few friends. Rev. W. O. Brandon the Methodist minister of this place performed the ceremony in his usual impressive manner.

The young couple left on 51 for Tampa, Fla., and other points of interest in the South. They expect to visit relatives of the bridegroom in Houston Texas before returning from their honeymoon.

Miss Jones is one of the most popular young ladies of her home town and has a host of friends who love her for her amiable disposition and winning ways. The groom is a talented young business man employed by the firm of Barnes, Coward and Co. of this city and is a general favorite with all who know him.

A Man of Iron Nerve

LOOKING FOR CLEW

To Wash Valley Wreck—Mayor Gets Anonymous Post Card.

Fort Wayne, Ind., Sept. 26.—Mayor Frank S. Smith, of Bluffton, came to the city today and enlisted the aid of the local police in investigating an anonymous postal card received by the Bluffton official, telling him that the writer had overheard a conversation of importance bearing on the Kingsland wreck, in which forty-one lives were lost last Wednesday, and giving the names of the parties to the conversation. Officers are now at work on it.

There is little change in the condition of the injured survivors, save that of A. Ellenberger, of Barne, whose symptoms are not so favorable. The condition of Miss Margaret Tribble is extremely grave.

Don't waste your money buying plasters when you can get a bottle of Chamberlain's Liniment for twenty-five cents. A piece of lint dampened with this liniment is superior to any plaster for lumb back pain in the side and chest, and much cheaper. Sold by King & Son.

WILLIAM H. JONES  
Selected to Fill Place Caused by Howards Withdrawal.

Bowling Green, Ky., Sept. 26.—When the Third district Republican committee met here this afternoon it had been arranged that William Henry Jones, the Postmaster and editor at Glasgow, would be nominated for Congress to fill the vacancy on the ticket caused by the withdrawal of Nat Howard last week.

Jones was formerly a member of the State Senate and is one of the leading Republican politicians of the Third district. He once made the race against J. M. Richardson for Congress, and, though defeated by only 100 votes, refused to contest the election of his fellow-townsmen.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. Sold by King & Son.

Ward Construction Company Moving Camp.

The Ward Construction Company who have been doing contract work for the L. & N. near Madisonville, have about completed their work and are moving part of the camp outfit. About 100 mules and three car loads of machinery were shipped south Thursday.

Your complexion as well as your temper is rendered miserable by a disordered liver. By taking Chamberlain's Stomach and Liver Tablets you can improve both. Sold by King & Son.

Dr. Ferguson is having a well adjacent to his new residence. Duon says he is going to have water or to China.

San Townsend had a barn burned last Monday. It was full of tobacco belonging to other parties. We did not learn the amount of the loss.

We heard that there was talk of a new factory at Colliwau. Could not trace it to any reliable source and give the item for what it is worth.

Sunday schools at Nebo are not as flourishing as they should be. There is an attraction on the streets for a great many boys, who ought to be in Sunday school.

It took a subscriber to THE BEE eight years to find out that he did not want THE BEE and it was no account. He did not find it out then, until he was politely invited to pay up. We have an opinion of a man, who will take a paper and then try to lie out of paying for it.

Should you want to see a man look sheepish ask him to pay for a paper he has had for ten years free. One man is proposing to pay half. We sold him to let it run eight more years and get it for nothing, and if he would let it run long enough the publisher would be in his debt. Come, boys, that logic won't work. If you do not want the paper say so. Pay up and it will stop. Or if you think you are not able to pay for it say so. Our publisher is immensely rich and a few hundred is nothing to him. Blank paper this morning.

### THERE IS A REASON

Why it pays to advertise in the SEMI-WEEKLY BEE:  
It reaches a large number of wage earners who take no other paper.  
It has an almost exclusive circulation in a community where \$50,000.00 in money is paid out each month.  
It is read by hundreds of people who buy what they want and who have money to pay for what they buy.  
The only way to get your advertisement before the people of Earlington, Mortons Gap, St. Charles and immediate vicinity is through the medium of the Earlington Bee. A hint to the wise is sufficient.

### IT IS THE DAY OF CANDID ADVERTISING

Time was when even reputable merchants lacked full candor in their advertising. It was argued—by people with ridiculous ideas of the aims and purposes of advertising—that the people would only believe a small part of what an advertiser claimed, anyhow; hence it behooved him to exaggerate accordingly, so that after the reader's deductions for exaggerations had been liberally made, a basis of truth would remain.

As this was always a false argument, it has been exploded—to say exploded!

Self-respecting, thinking people are the people who read ads nowadays. And to deliberately misstate a fact in advertising now is simply a species of attempted business suicide.

A store which would thus forfeit the confidence or respect of all honest people would soon find out that there were not enough dishonest people—or of people who would condone dishonest advertising—in this town to support the smallest store in it.

You may read the ads nowadays with the satisfying knowledge that advertisers realize that falsehood is business suicide—unfailingly!

Candid advertising is necessary nowadays.

You don't have to go to war to be patriotic. Improve your locality, uphold your town, enlarge its interests, and lend a hand to progress, and you are a patriot—a lover of your country—as truly as the soldier who should his musket.

Next to the wife beater comes the horse beater and it is to be regretted we have one or two in this community. A horse is the most noble and faithful of animals and the man who would abuse his horse has something lacking in his manhood.

Make every "Special Sale" really strengthen your store—by taking care that your ad readers learn the truth about each sale.

You can make your ad so important that you will double the number of people to whom, for the day, your store is important.

The ad writer sets the pace in a store. If he is busy, everyone about the store is busy.

Pruners, mechanics, railroaders, laborers rely on the Famous Eucalypti. Take the size out of cuts, burns or blisters. No pain can be caused, for it is so gentle.

### THE NEW LAW

Better Be Careful Where and How You Take Your Liquor.

The following is the new law in full about drinking upon trains and in depots:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Sec. 1. That any person who shall in or upon any railroad locomotive, passenger coach, interurban car, street car, or in or upon any vehicle commonly used for the transportation of passengers, or in or upon any common carrier, or in or about any railroad depot, station, ticket office, waiting room or platform, drink any intoxicating liquor or eat any food, or if any person shall be drunk or disorderly in or upon any railroad passenger coach, interurban car, street railway or in or about any common carrier, or in or about any railroad depot, station, ticket office, waiting room or platform, such person or persons shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be fined not less than ten (\$10.00) dollars nor more than fifty (\$50.00) dollars or imprisoned not less than ten nor more than thirty days or both so fined and imprisoned in the discretion of the court or jury: Provided that the foregoing section shall not apply to any drinking intoxicating liquors purchased by him in or upon any buffet or dining car operated by a common carrier in the Commonwealth.

Sec. 2. Any person violating the provision of Section 1 of this act shall be tried in any court of competent jurisdiction in the county where the offense was committed.

Sec. 3. It shall be the duty of every railroad conductor of a steam, interurban or street railway, and station, depot or ticket agent of said railway when he sees any person violating the provisions or any of them of Section 1 of this act, to at once notify the nearest or most convenient sheriff, constable, town marshal or policeman, of the county in which the offense is committed, giving him such description by name or otherwise as will enable the officer to identify the offender, and also giving him the offense, and it shall be the duty of the officer so notified to arrest without delay any such person without any other evidence of his guilt to take him before the nearest magistrate to be proceeded against in the manner provided by law. If any such officer shall willfully or negligently refuse to make the arrest, he shall be fined not less than \$10 nor more than \$50 for each offense and it shall be the duty of the conductor or agent giving the officer the information upon which to make the arrest to prosecute the officer.

### Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface. Such articles should never be used except on the prescriptions from reputable physicians, as the damage they do is ten fold to the good you can possibly derive from them. HALL'S CATARRH CURE, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

### Wreck in No. Nine.

A wreck occurred in No. nine mine Wednesday caused by coupling breaking. Several mine cars were thrown from the track and some timbers knocked out. Omer Wyatt who was riding the hind end had an exciting time for a few minutes. No one hurt and business was resumed after a short delay.

### Saved His Leg.

"All I thought I'd lose my leg," writes J. A. Swensen of Waterville, Wis. "Ten years of eczema, that 15 years of doctors could not cure, had at last laid me up. Then Buckle's Arnica Salve cured it, and saved my leg. It is a life saver for skin eruptions, eczema, salt rheum, boils, fever sores, burns, scalds, cuts and piles. Use at all druggists."

## Life of Roosevelt and His Strenuous Hunt in the Deep Wilds of Africa!

The Semi-Weekly Bee one year and the Book for \$1.50, price of book alone

The book comprises nearly four hundred large octavo pages, printed on fine paper and beautifully bound, with scores of magnificent, full page, phototype engravings of scenes in the heart of Africa; its dark mysterious forests, mighty rivers and far stretching plains; with pictures of lions, elephants, giraffes and of other strange animals, hitherto unknown to civilization, that Theodore Roosevelt has killed.

What a scene for a thrilling story! Africa the Dark Continent, the Land of Mystery. Mere descriptions of it have always been interesting. The accounts of Livingstone and Stanley have sold heavily in United States, but the story of Theodore Roosevelt, who is one of us; the every day, intimate history as told by the friends and companions of his trip, has a fascination absolutely incalculable.

### HOME ENDORSEMENT

Hundreds of Earlington Citizens Can  
Tell You All About It.

Home endorsement, the public expression of Earlington people, should be evidence beyond dispute for every Earlington reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers reading in faraway places. Read the following:

Perry McCauley, Baptist Hill St., Earlington, Ky., says: "I never had an idea that I would allow my name to be used in connection with testimonials, but I believe that it is my duty to recommend Doan's Kidney Pills, which I procured at the St. Bernard Drug Store. The effect of this remedy on my system was gratifying. Before I had finished the contents of two boxes, my kidneys were restored to their normal condition, and the pains in my back were removed. In fact, my health was so greatly improved that I could scarcely realize the change. Taking into consideration my advanced age, this speedy cure was remarkable."

For sale by all dealers. Price 50 cents. Foster-McMurray Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take an other.

### Good Show at the Theatre.

There will be a good show at the Electric Theatre on Thursday Friday and Saturday nights of this week. The celebrated Vandevine artists Mildred Hollencamp, Grace G. and Sam Porter & Wanda of Kentucky will be here and a number of this popular place of amusements may be assured of seeing the best talent in the Vandevine stage.

### Believed They Had Been Bitten by a Mad Dog.

Two men, living on a farm twelve miles from Nortonville, were here Tuesday to have the madstone of Tom Hodge's applied, believing they had been bitten by a mad dog. Their wounds had healed and the stone was not used as it was thought there was no danger. The men stated that the dog first attacked the little son of one of the men; then bit the man's wife, himself and others. The dog died, which also did the other dogs in the neighborhood that were bitten by the dog.

"Can be depended upon" is an expression we like to hear, and when it is used in connection with Chamberlain's Colic, Cholera and Diarrhoea Remedy it means that it never fails to cure diarrhoea, colic or bowel complaints. It is pleasant to take and equally valuable for children and adults. Sold by King & Co.
